

## A NEW HEART

The thought of you just crossed my mind  
Just look ahead, don't ever look behind  
If friendship was life, I'd give you mine  
I'd do anything to see you one more time

### CHORUS

A special person with a heart of gold  
All the treasures in one's life that will unfold  
When I met you, I felt love in my heart  
Each day that I know you, feels like a new start

We never know what the future may hold  
For we just have to wait, that I've been told  
I would do anything to see you again  
From the time we meet, our love will never end

### CHORUS

### BRIDGE

The best memories aren't the ones you try to remember  
They are the ones you can't seem to forget  
We never know what the future will hold  
But knowing you I have no regrets
