

BELIEVING

There is something in my heart that I want you to know
From the sky above to the seas down below
Let me carry you across the seas
To a land that we've never seen

CHORUS

There is more to life than just to dream
Not everything you see is as it seems
It's all a matter of what you perceive
Anything is possible you just have to believe

From dawn when we will see the light
To the moon in the sky, and the darkest of nights
The weight that we all choose to carry
Letting it all go, feeling light and airy

CHORUS

BRIDGE

From the time we are born, a baby's first cry
To the time we are grown, a mother's sign
Make the choice and go through the door
Spread your wings and prepare to soar

CHORUS
