

## GIVING YOUR HEART

Keep giving, keep sharing  
Give you heart, never stop caring  
Far beneath the essence of one's eyes  
Just look up, and above to the skies

### CHORUS

Never give up on something that makes you smile  
Even when it seems living itself isn't worthwhile  
Keep smiling, keep shining, let nothing bring you down  
Until you feel you're on top of the world, the highest mound

What lies in ones soul, the emotions below  
Open you heart, and let them grow  
What one can give, more than one would know  
For life itself, is a chance to grow

### CHORUS

### BRIDGE

For the knowledge of life, the tree of learning  
What one can achieve, if they keep on yearning  
To set the foundation is merely the seed  
Which is something we should all want to need
