

HEARTFELT FRIENDS

Sometimes in your life
You find a special friend
Who will be there by your side
From the beginning to the end

CHORUS

If you find such a friend
Don't ever let them go
If the seed is planted and nurtured
There is room for both to grow

This special friend convinces you
That there is an unlocked door
You keep hoping, wishing and searching
That forever there will be more

CHORUS

BRIDGE

Just hold their hand, and hold it tight
For whatever comes your way
Just look in their eyes and touch their heart
And they will tell you that it's ok
