

TO NICK AND KYLIE ON THEIR WEDDING DAY

VERSE 1

We met each other online one beautiful day
I had no idea such beauty could come my way
The first time we talked I took a chance
I cannot wait for our song, our special dance

CHORUS

Roses are red, violets are blue
In my heart I will always love you
With this ring, I give you my heart
Paint a picture with me, let it never end
Our own special work of art

VERSE 2

I have always dreamed of us being together
You are my shining star, always and forever
Made the decision to move and be closer to you
Your brown eyes tell me that you love me too

CHORUS

BRIDGE/MODULATION

VERSE 3

Each time we're together I gaze into your eyes
If only I could pick all the stars in the sky
I would give them all, each star to you
I know in my heart, that you'd do it too

CHORUS

Paint a picture with me, let it never end
Our own special work of art
