

## **LIGHT OF THE SOUL**

Be who you are and say what you feel  
Dream and believe, you can make it real  
You have the ability to change the world  
One dream at a time, as life uncurls

### CHORUS

Just sing and dance as nobody is there  
Have no regrets, not even one care  
The sun in the sky, the moon and it's light  
Reach for the sky and let your soul take flight

You want it so bad, you will give yourself up  
Give everything you have, but it's never enough  
When it comes to a dream, there are no bars  
To change the world, just reach for the stars
