

LIZ AND DAVE: ON THEIR 25TH YEAR ANNIVERSARY

VERSE 1

Love the gift that keeps on giving
Gives me hope and a reason for living
Each day in your arms, I know you do care
Two souls joined together, we make a great pair

CHORUS

Nobody knows where the wind blows
Travelling a journey into the unknown
Through every marriage 2 years beat strong
We always knew our love would last this long

VERSE 2

Through all the differences and all the tests
I have always put you above the rest
All the corners and all of the bending
Love keeps on giving, it is never ending

CHORUS

BRIDGE

VERSE 3

I hope to share another 25 with you
And I hope that you feel the same way too
In sickness and health, we have been through so much
Each day that goes by, it's your heart I can touch

CHORUS
