

PIECES OF MY HEART

VERSE 1

From the day that I met you, you took away all of my pain
You allowed the sun in my life, and took away the rain
You allowed me to start a new chapter in my book
The first time that I saw you there was all it took

CHORUS

You fill my heart so full of love
Spreading my wings flying high like the dove
I feel like I've been given a new start
Putting together the pieces of my heart

VERSE 2

I often think is this a dream and yet it feels so real
You restore my broken heart each day and allow it to heal
I feel my life is incomplete when we are apart
When I look up into Heaven, we share a bright shining star

CHORUS

BRIDGE/MODULATION

CHORUS

I feel like I've been given a new start
Putting together the pieces of my heart
