

TELL ME YOU'LL STAY

Every day my eyes open, to reach and touch the sky
I keep hoping and wishing, and I'll start to wonder why
It is you by my side, when I turn around
Like the river that opens wide, it is you I have found

CHORUS

What do I do to make you feel this way
What can I do to convince you to stay
Give me an action please, show me a sign
Just wish on each star, let's give it some time

Green grass on this side, together we soar
Without you I wonder, could there ever be more
Together we soar, together we fly
Tell me you'll stay, as we soar to the sky
