

## (THE) KINGDOM

Jesus died on the cross so we could see Him one day  
Like a rainbow of many colours, trials and tests that we face  
We must have faith as we cross that mighty bridge  
As we show our love to reach Heaven above

### CHORUS

Just look to the eagle, flying high is the dove  
Heaven isn't very far just look up and above  
To search for the skies one must have faith  
To enter the Kingdom keep steady your pace

The challenges each day just keep steady and pray  
That one day we'll enter, we're saved by His grace  
The rainbow behind us as we look ahead  
Heaven awaits us all the steps that we've tread
